### PREAMBLE

In the current academic scenario, it is the need of the hour to work in collaborations to achieve and maintain the Educational and Research Standards in any institution. A free exchange of knowledge and ideas help in enhancing skills, creativity and innovativeness for all-round development of students. This also helps in tackling the local problems for sustainable development of the area and development of the Nation as a whole.

a) Poona College of Pharmacy, Bharati Vidyapeeth (Deemed to be) University, Erandwane, Pune is a renowned Pharmacy Institute of Pune area, established in 1981. It is approved by AICTE, PCI and UGC. It is now a constituent unit of Bharati Vidyapeeth (Deemed to be University). It is a grant-in-aid institute, conducting Graduate, Post-graduate and Doctoral programmes in Pharmaceutical Sciences. The institute is accredited by NBA, NAAC. The Institute has well-equipped laboratories with ultra modern facilities supported by highly qualified teaching faculty in all branches created by the

Institute. The Institute has well furnished Central Library facility with reference books, textbooks, National and International Journals and internet facility to boost learning efforts.

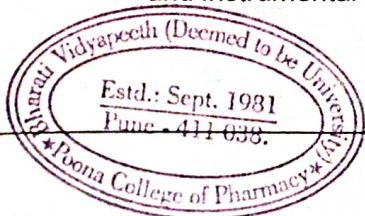

b) **Government Institute of Science, Nipat Niranjnagar, Aurangabad (Maharashtra).** The Government Institute of Science, Aurangabad was established in 1974, in the purview of development of Marathwada region. It is a post graduate teaching and research institute funded by and administered by the Government of Maharashtra and affiliated to Dr. Babasaheb Ambedkar Marathwada University, Aurangabad (Maharashtra). Situated in 25 acres of picturesque campus at the foothills of Aurangabad Caves, the Institute houses five unique PG departments, viz. Biophysics, Biotechnology, Botany, Geology and Microbiology. The Institute has a centralized library that has a collection rare and valuable books and periodicals. The Department of Microbiology is a constituent PG teaching and research department of the Institute. With well qualified and experienced three professors, one associate professor and two assistant professors recruited through MPSC, Govt. of Maharashtra, the Department boasts of expert faculty members who are all research guides. The faculty members are engaged in research activities and contribute to science by publishing their works in peer-reviewed journals and books, share their expertise through invited talks as resource persons and strive to generate Intellectual Property. The Department is the most sought after by students in the entire University circle for admission to the PG course. The Department strives for the overall development of students by organizing student-centric activities focussed on experiential learning and mastering the laboratory skills. Students passing out from the Institute are always preferred by the employers for recruitment. The Department has a well equipped laboratory and a Departmental library.

### GOALS AND OBJECTIVES

The **FIRST PARTY** is engaged in teaching and research in Pharmaceutical Science.
