Subject: Request for permission to visit Lignite Mine at Mata no Madh, Kutch.

Sir,

The Institute of Science, Aurangabad is a Postgraduate Education and Research Institute administered by Department of Higher and Technical Education, Govt. of Maharashtra and is affiliated to Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. Geology is one of the subjects in which PG teaching and research is being carried out. Geological field study and mapping is a mandatory part of M.Sc. (Geology) curriculum.

We would like to have an opportunity for our M.Sc. (Geology) students to study the terrain around Matanomadh (Kutch, Gujrat) and note the geological features and surface mining activities. In this context I would request you to please permit our students and faculties to visit your any one Lignite Mine around Matanomadh on any suitable day from 04.06.2022 to 08.06.2022

I also request you to kindly support us with your geoscientist for this visit so that the students will get an opportunity to learn under the expert guidance from a member of one of the finest geo-scientific organizations i.e., GMDC, Ltd.

The strength of M.Sc. (Geology) students is 26 accompanied by two faculties (total-28).

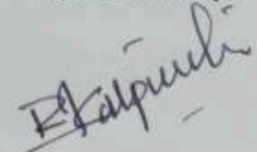

I trust we will get kind permission from you.

Thanking you in anticipation.
